 October 24  
 assignment 2

TITLE

map (undid)  
 lollypop chart  
 bubble chart  
 waffle chart  
 pie chart  
 scatter plot  
 line chart  
 stacked area  
 chart

Pos

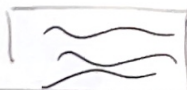

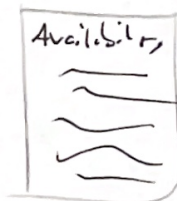

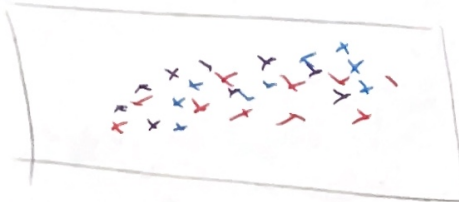

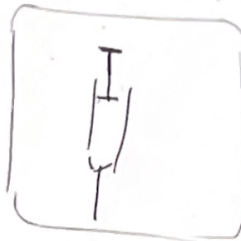

one main focus  
 no scrolling

cons  
 not suitable  
 for text.

Way found on card  
 map  
 Big in cases  
 Scatter charts around it  
 add to story

Title

Long website.

Uses blocks in rows for the visualisations  
text ~~gives~~ gives the reader some insight  
to help follow the narrative

Assignment 2 FIT3199

Vaccinations

Components

Map of vax rates  
quantitate, so very  
brightness.

~~map~~ of vax opinions  
~~script plot~~

map of categorical  
data  
such as if ~~cases~~ are  
prior.

more charts, like  
Stekker area...  
depending on data

opinion.

teal tip who  
having data on  
down.

Reviews

Important signs  
ling add up.

Will take down  
it fine to learn  
HTML, CSS, Java  
and Vega.

May need to simplify  
it too hard.
